Articles are basically a type of determiners.

Determiner covers many classes of words in which there are articles (definite and indefinite articles), adjectives and pronouns.

**Types of Articles**

There are three main articles – ‘a’, ‘an’ and ‘the’. These three articles can be divided in two classes.

1. **Definite Article (The)-** ‘The’ is known as definite article because it is used to point out specific person or thing.  
e.g.- The Moon and the Sun etc.

**Uses of ‘The’**

There are following common rules of using definite article ‘the’.

<b>1</b>	‘The’ is used before a particular or specific person, place or thing. e.g- 1) Let us go to the club 2) This is the boy who won last match.	<b>8</b>	‘The’ is used before names of races or nations. e.g- 1) The English ruled over the Indians. 2) The people of India speak many different languages.
<b>2</b>	‘The’ is used before common nouns which are names of things unique of their kind. e.g- 1) The Earth is our planet 2) The world is a pleasant place 3) The Sun gives us life	<b>9</b>	‘The’ is used before names of newspapers, holy books, famous buildings, ships, historical events. e.g- 1) I read the Hindustan newspaper. 2) The Ramayana is a famous book
<b>3</b>	‘The’ is used before name of directions and dates of months. e.g- 1) The Sun sets in the West 2) I got my dream job on the 10 <sup>th</sup> of May.	<b>10</b>	‘The’ is used before proper nouns, common nouns, abstract nouns and material nouns to make them common nouns. e.g- 1) Kalidas is the Shakespeare of India 2) The milk of our dairy is pure.
<b>4</b>	‘The’ is used before names of mountain ranges. e.g- 1) The Himalayas 2) The Alps <b>Note-</b> Never use ‘the’ before names of single mountains or hills. e.g- 1) Montblanc (not the Mont blanc) 2) Everest (not the Everest)	<b>11</b>	‘The’ is used before name of musical instruments. e.g- 1) Rani plays the guitar 2) Ranjan plays the harmonium.
<b>5</b>	‘The’ is used before names of rivers, seas, canals, oceans, valleys, deserts and forests. e.g- 1) The Atlantic Ocean 2) The Ganges	<b>12</b>	‘The’ is used before name of inventions. e.g- 1) The cure for many types of cancer has not been found... 2) Who invented the television?

<b>6</b>	'The' is used before superlative degrees of an adjective. e.g- 1) You are the best boy in my class 2) Kashmir is the most beautiful state in India	<b>13</b>	'The' is used before parts of body. e.g- 1) He was hit by the rod in the back 2) He got an injury in the head.
<b>7</b>	'The' is used before a whole class. e.g- 1) The cow is a pet animal. 2) The horse runs very fast.	<b>14</b>	'The' is used before political parties. e.g- 1) ) The Democratic Party 2) The British Labour Party

2. **Indefinite Articles(A, An)**- 'A', 'an' are known as indefinite articles because both are used to point which are not specific nouns.  
e.g- A man. An organisation and an egg.

#### Uses of 'A'

- 'A' is used before words beginning with consonants.  
e.g- a news, a patient, a cup
- 'A' is used before the words which begin with a vowel but have a sound of a consonant.  
e.g- A university, A European

#### Uses of 'An'

- 'An' is used with words that begin with a alphabet (a,e,i.o.u)  
e.g- an orange, an egg, an octave
- 'A/an' is used before the adjective if adjective comes with a noun.  
e.g- a nice book, an intelligent boy, a good prize.
- 'An' is used before words beginning with consonants having vowel sounds.  
e.g- An FIR, An Msc

#### Omission of Articles

- We should not use 'the' before proper nouns.  
e.g- Kolkata, Rashmi, Sunday and so on  
Exception  
Here are some exceptions of this rule like we say The Punjab, The USA, The Deccan (Group of States)
- We should not use 'the' before subjects and arts.  
e.g- 1) I don't like **drawing**  
2) I am reading a book of **Poetry**
- When we use abstract nouns in general sense, we omit 'the'
