

## **Newsletter - August 2021**

We are so happy to see our children from Nursery to Sr.KG doing are doing very good in their classes and we can clearly observe positive progress in each child.

Here is a brief over view of what has happened throughout the month of August :

### **1. 5<sup>th</sup> August 2021 : STEM Activity**

Children were super excited to make dinosaur models out of clay dough. It was amazing to watch those little hands moulding and rolling the dough into colorful dinos. Children were even very happy to name their dinos.

### **2. 6<sup>th</sup> and 7<sup>th</sup> August 2021 : Family Day**

Nursery to Sr.KG children were overjoyed to celebrate Family Day. They had a wonderful story time followed by some lovely song and activities. This was such a lovely time as school and home really came together as a strong force for our little children.

### **3. 9<sup>th</sup> to 14<sup>th</sup> August 2021 : Independence Week Activities**

Through the week, children showed much excitement as they learnt about India and our values. They took The Pledge, learnt about the national symbols, did different tri-colour activities like making paper badges, soldiers, caps, bracelet making and flag painting. They even sang the national anthem with great pride.

### **1. 15<sup>th</sup> August 2021 – Independence Day Celebration**

As India celebrated its 75<sup>th</sup> Independence Day, the national tricolour was hoisted in the presence of Management, Principal & Staff. Owing to the guidelines the event was conducted keeping in mind social distancing. Once again with the aid of technology we were able to live stream this special event. Thank you so much in joining us for this programme in large numbers.

### **4. 19<sup>th</sup> August 2021: Rakshabandhan Celebration**

Children celebrated Raksha Bandhan in the class by making colourful rakhis, peanut laddos, dry fruit laddos and rakhi thali decoration. They named the laddos as energy balls and declared they tasted super yummy.

## **5. 27<sup>th</sup> August : Farm Day**

They thoroughly enjoyed pretend play on a pretend farm. A farm set up was shown to the children. They saw and identified different types of vegetables and fruits, observed the different parts of the plants, discussed their importance, colour, taste and texture. They even pretended to be buyers and sellers of fruits and vegetables. Their imagination and sense of fun was most active even as they studied the lesson.

## **6. 30<sup>th</sup> August : Janmashtami Celebration**

Children celebrated Janmashtami. They dressed up like little Krishna's and were very excited to talk about whom they were dressed up as. They learnt what Janmashtami was about, what little Krishna loved to eat, how mischievous he was, what is done on that day through a story from their text books.

## **7. Dance Class 5**

*The sound of Music fills the air. There is a palpable excitement. Its fun time. Its Dance time!*

*These sessions continue to remain very popular and children just love being apart of the excitement.*

We'd like to leave you with a very relevant thought that applies to all "One of the things that Parents and adults can do – and this includes all aged kids, teenagers and everyone – is to go and play with them."
