

## NEWSLETTER-JUNE 2022

Starting a new school year is always full of emotions and especially after pandemic.

The month of June has been power packed to the fullest with teaching & learning not just for our pupils, but for our teachers too.

Every day classes have been conducted with activities that have been designed to help our children enjoy their lessons and keep learning at the same time.

Teachers at Royal Oaks World School continue to help students to build Creativity and Critical Thinking by the types of questions we ask and how they respond.

Here's an overview of the excitement that's been happening at your child's school during the month of June.

### **1. 3<sup>rd</sup> June 2022 - Teaching Post Covid – Dr Namrata David (Macmillan Training for teachers)-**

Teacher's training would not only support teachers in facilitating effective learning, but it would also help for improving classroom learning.

A training session for the teachers by Dr. Namrata David was held at Royal Oaks World school.

Dr Namrata has explained the key points on the topic Education in Post Covid its Challenges and Experiences.

### **2. 6<sup>th</sup> June 2022 – Parent Orientation Programme –**

**“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”**

Royal Oaks World School organised the Parent Orientation Programme on 7th June 2022 to bring the parents up to speed about their child's progress as well as give them an idea of the various teaching methodologies being employed at the school.

Many issues were discussed in the parent orientation program, including the school curriculum and the subjects being taught. This provides the parents with a clear idea of what the students are learning currently and how it will aid them in their careers in the future.

The parents were briefed about the rules and regulations of the school.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

### **3. 7<sup>th</sup> June 2022 – School Re-opens for Classes 1 to 9-**

School re-opens for Classes 1 to 9. Special assembly and welcome back to school activities.

### **4. 15<sup>th</sup> & 16<sup>th</sup> June 2022 – Value Education Programme –**

Value based education is an approach to teaching that works with values. It creates a strong learning environment that enhances academic achievement and develops a child's social and relationship skills that will last throughout their lives.

Royal Oaks World School continues to inculcate these values in our students through Value Education Programme in every month.

**5. 18<sup>th</sup> July 2022 – Chef Day (Class 1)-**

The best memories are made around the table and the secret ingredient is always love. This day was special for Class 1, little master chefs have proved themselves in the unique way. Cooking is one of the great gifts you can give to those who you love. Expert parents, excited kids, creatives teachers have made this activity a huge success!

**6. 22<sup>nd</sup> June 2022 – International Yoga Day-**

International Yoga Day was celebrated with full spirit and joy in Royal Oaks World School on 22<sup>nd</sup> June 2022. The students and teachers participated in the event. Various yoga postures, different asanas including pranayama and meditation were performed. Through this event students were enlightened on the benefits of yoga and the need to remain healthy and fit. The students enjoyed the session immensely.

**7. 22<sup>nd</sup> & 23<sup>rd</sup> June 2022 – Mental Maths Activity-**

Mental Maths is one of the most important forms of learning for school going children. It is used not only in schools but also in our everyday lives. Very simply, it is the process of doing mathematical calculations in our mind without the use of calculator pen or paper. This tends to stimulate the brain and boost learning capabilities as well as improve analytical skills of a person and helps to build a relationship with numbers.

**8. 28<sup>th</sup> & 29<sup>th</sup> June 2022 – STEM Activity-**

The STEM education movement advocates moving away from the segmented content areas, emphasizing technology to connect the subjects and relating teaching to the outside world. Here in our school, our students engage in a diverse set of projects and activities. Hands on experiences encourage our children’s curiosity motivating them to want to learn and grow.

**9. 29<sup>th</sup> June 2022- Art Competition –**

Creative Art Competition was conducted by Artline Creative Studio on 29<sup>th</sup> June 2022. Mr Bilal Jaleel (Youth Icon) was honoured to be the Chief Guest for this programme. Artistic strokes for all our children were held in this programme. All students from classes 1 to 9 participated in this competition and really enjoyed themselves.

**10. Like Skills Activity –**

Education about life skills makes the individual able to improve his knowledge, develop values and views, meaning that the individual knows when and how to do a task. Life skills motivate healthy behaviour and increase self-confidence. Royal Oaks World School emphasizes on these skills through various activities conducted every Saturday.
