

NEWSLETTER – JUNE 2022

Dear parents,

We are delighted to welcome our pupils from Toddlers to Senior KG back to school.

Our story is not just about learning inside the classroom but outside too. Our activities are authentic, hands-on, and interactive and build on class room learning. The purpose of our school is to prepare every student for life beyond the classroom.

Thus in order to help advance students learning experience we take classroom learning outside. Every student will have this opportunity to experience real life application of theories that they are learning at school.

Here is a short summary of all the learning that has taken place last month inside an outside the classroom.

1. 3rd June 2022 - Teaching Post Covid – Dr Namrata David (Macmillan Training for teachers)-

Teacher's training would not only support teachers in facilitating effective learning, but it would also help for improving classroom learning.

A training session for the teachers by Dr. Namrata David was held at Royal Oaks World school.

Dr Namrata has explained the key points on the topic Education in Post Covid its Challenges and Experiences.

2. 7th June 2022 –Parent Orientation Programme n

“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”

Royal Oaks World School organised the Parent Orientation Programme on 7th June 2022 to bring the parents up to speed about their child’s progress as well as give them an idea of the various teaching methodologies being employed at the school.

Many issues were discussed in the parent orientation program, including the school curriculum and the subjects being taught. This provides the parents with a clear idea of what the students are learning currently and how it will aid them in their careers in the future.

The parents were briefed about the rules and regulations of the school.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

3. 8th June 2022 – School Re-opens for Jr.Kg & Sr.Kg-

School reopens for Junior KG and senior KG students and they started with their fun learning activities.
