In this edition, you'll find a glimpse of the enriching activities and learning experiences that our little learners have been immersed in.

We hope these stories fill you with pride and joy as we celebrate the growth and achievements of our students. Thank you for being an integral part of our Royal Oaks family. Without further ado, let's dive into the wonderful world of kindergarten adventures!

August 04, 2023 Green Day Celebration

Green Day Celebration at Royal Oaks World School, we came together to raise awareness about the urgent need to protect our planet. Embracing the theme of "Save Earth," this event showcased the beauty of nature and emphasized the significance of sustainable practices in our daily lives.

Our Students from Toddlers to Sr.kg dressed up in green and spoke on the topic "Save Trees", "Save Water" and what makes our Earth Happy or Sad.

The celebration was filled with a series of activities like making handmade paper, mat weaving, leaf rubbing, leaf art and friendship band making.

Let's unite in this Green Day Celebration and pledge to make a positive impact on our environment. Together, we can create a greener, cleaner, and more sustainable world for all living beings.

Fruit Day

Fruit Day at Royal Oaks World School was a blast.

From the juicy orange to the crisp apple and the sunny banana, our Fruit Day was a colorful treat. Students got to touch, taste, and learn about different fruits, exploring textures, colors, and seeds.

Children got creative with fruit-themed crafts, making colorful art and craft work. The school was filled with the sweet scents of orange, papaya, and kiwi.

Fruit Day wasn't just fun; it was educational too. Students discovered the nutritional benefits of fruits and the importance of a healthy diet.

It was a hit, bringing color, creativity, and nutrition to our school.

August 11, 2023 Tree Plantation

Under the guidance of dedicated teachers, our young learners took part in an eco-friendly adventure, where they learned about the importance of trees and their role in sustaining our planet. This activity wasn't just about digging holes and planting saplings; it was an immersive educational experience designed to instill values of environmental stewardship and responsibility.

Our kindergarten students embraced the green life. They got their hands dirty, planting trees and learning about our planet's well-being. These tiny environmentalists are nurturing a love for nature from an early age, promising a greener tomorrow.

August 17, 2023 Independence Day

Independence Day program, was a day of honoring the spirit of freedom, unity, and patriotism. Our young stars from Nursery, Junior KG, and Senior KG had worked tirelessly to present a spectacular show that had undoubtedly filled our hearts with pride and joy.

It was a day filled with patriotic fervor and wonderful performances by our young talents. Nursery danced to the beats of "Jai Ho," Junior KG wowed us with their musical mash-up, and Senior KG's drama and song were truly captivating.

August 18, 2023 Photography Day

World photography day celebration at Royal oaks world school was delightful event celebrated in our school. Photography is form of art. It encourages people to appreciate the power of photography in telling stories, capturing emotions and preserving memories. Our little champs explored in the garden and clicked beautiful pictures of nature and they also made cute photo frames. Children were proud of their work.
