July Newsletter: A Month of Excitement and Learning!

Dear Parents and Guardians, we are thrilled to share with you the highlights of July, a month brimming with engaging activities, joyful celebrations, and valuable learning experiences for our students.

Thank you for your continued support and involvement in our school community. Together, we are making a difference in the lives of our children.

JULY 05, 2024

Blue Day and Rainy Day Celebration

Our Blue Day and Rainy Day Celebration on 5th July was a joyous event filled with fun and creativity. The children kicked off the festivities with an Umbrella Dance, delighting in twirling and dancing under colorful umbrellas.

They then engaged in a Water Squeezing activity, enhancing their fine motor skills while enjoying the sensory play. Our young artists painted beautiful, rain-inspired scenes during the Painting session, showcasing their creativity.

A Balancing activity added a playful challenge, as children walked a beam while holding umbrellas, improving their coordination. The celebration concluded with a Bubble Making session, filling the air with laughter and shimmering bubbles.

The event was a wonderful success, bringing smiles and memorable experiences to all.

JULY 12, 2024

Health and Hygiene Activity

Our pre-primary students participated in a highly engaging and educational Health and Hygiene Activity. This event was designed to instill the importance of cleanliness and healthy habits in our young learners, setting a strong foundation for their well-being.

Throughout the activity, students learned about the significance of personal hygiene through fun and interactive sessions. They were taught the proper way to wash hands, the importance of brushing teeth twice a day, and how to keep their surroundings clean. Engaging stories and songs about hygiene made these concepts easy to understand and remember.

Teachers demonstrated the correct techniques for handwashing using soap and water. The children enthusiastically participated in these demonstrations, eager to show their newfound skills. Additionally, they were introduced to the concept of germs and how proper hygiene practices help prevent illnesses.

We are proud of their enthusiasm and commitment to staying healthy and clean..

Sensory Day: An Exciting Exploration

Sensory Day event on 19th July for pre-primary students was a delightful adventure that engaged all five senses. Designed to foster sensory development and creativity, the day featured various interactive stations.

Sight Station: Children explored bright colors and different things around.

Sound Station:** Students experimented with musical instruments and different types of sounds.

Touch Station: Various textures, from soft and squishy to rough and bumpy, were explored through sensory bins filled with sand, rice, and water beads.

Taste Station: Children sampled a range of flavors, learning to identify and appreciate sweet, sour, salty, and bitter tastes.

Smell Station: Aromatic jars with scents like lavender and lemon enhanced their smell awareness.

Each station was designed to be both educational and enjoyable, encouraging students to describe their experiences and share with peers. Sensory Day was a tremendous success, leaving our young learners with a deeper understanding and appreciation of their senses. We look forward to more such enriching experiences in the future.

Sensory Day: An Exciting Exploration

Our young artists of Pre Primary showcased their creativity in a vibrant Painting Competition. The theme was "Nature's Wonders," and the students impressed everyone with their colorful artworks. The event fostered artistic expression and a deeper appreciation for the beauty of the natural world.

Congratulations to all participants for their fantastic efforts and to the winners for their outstanding pieces!

Parent Workshop on Phonics: Empowering Home Learning

Royal Oaks World School conducted a successful Parent Workshop on Phonics, aimed at equipping parents with the tools and knowledge to support their children's early literacy skills at home. The workshop provided a comprehensive overview of phonics, emphasizing its importance in developing reading and writing abilities in young learners.

During the session, our expert educators explained the fundamentals of phonics, including the relationship between letters and sounds, blending sounds to form words, and segmenting words into individual sounds. Parents were introduced to various phonics techniques and activities that can be easily incorporated into daily routines to reinforce learning.

Interactive demonstrations showcased effective strategies for teaching phonics, such as using flashcards, engaging in phonics games, and reading aloud with children. Parents had the opportunity to ask questions and participate in hands-on activities, gaining practical experience and confidence in applying these methods at home.

We look forward to hosting more workshops in the future, continuing to support our community in fostering a love for reading and learning.

JULY 30, 2024

International Tigers Day Celebration: Roaring Fun and Learning

In celebration of International Tigers Day, our pre-primary students dove into an exciting day of tiger-themed activities. They learned about tiger, food and their features.

Students also got creative by making tiger craft and stripes during a fun craft activity. To cap off the day, they shared fascinating facts about tigers with their peers:

- Unlike most big cats, tigers love water and are excellent swimmers.
- A tiger's roar can be heard up to two miles away.
- Each tiger has a unique pattern of stripes, like human fingerprints.
- Tigers are solitary animals and prefer to hunt alone.

Our International Tigers Day celebration was a roaring success, sparking curiosity and a love for wildlife in our young learners.
