

Newsletter - June 2021 (Pre-Primary)

A brand new year. And the promise of love, laughter and LEARNING!

We were delighted to welcome our pupils from Toddlers to Sr.KG back to the virtual classroom.

It is always such a joy to see their smiling faces as they return filled with optimism and eagerness to learn.

The month of June has been filled with so much variety as well as exciting learning opportunities and activities.

At Royal Oaks World School our team of teachers continues to explore new methodologies and teaching techniques which ensure that all our children receive the best from our staff. So much happened in the last month and we are delighted to share with you how we keep growing as a school.

Here is a brief over view of what happened.

1. 3rd June 2021 – School Re-opens (Welcome Assembly)

School re-opens for Jr.KG to Class 9. Online classes begin. Special assembly and welcome back to school activities. A memorable morning that was a especially significant to join together in singing, dancing, and getting ready to learn new things.

11. 25th June 2021 - My School Day

– Taking the children on a “Virtual Tour” of the school.

As Children are learning from home many were eager to visit school. Our teachers came up with the idea of taking on a ramble through the school and showing them all the places they love to be in. It was so wonderful to see our children clap and shout with joy as they went around with the school virtually.

12. 28th June to 2nd July 2021 :

Celebrating what children have learnt throughout this month.

Learning is at the core of what we do at Royal Oaks. Our teachers continue to maintain high standards and set challenges for our children to achieve. Teachers evaluate their teaching process and the effectiveness of their methodologies in their classroom. As we look to the next month to further strengthen learning foundations.
