Introduction of Monitors at Royal Oaks World School

On 1st July 2025, Royal Oaks World School conducted an assembly to present the new monitors for the month of July. During the assembly, all the monitors from the senior secondary section were called on stage and formally introduced to the audience. The event aimed to recognize and empower the student leaders who will be playing a crucial role in maintaining discipline and supporting their peers throughout the month. Each monitor was acknowledged for their leadership qualities and commitment to upholding the school's values. The assembly served as an important platform for encouraging responsibility and fostering a sense of community among the students.

Special Assembly on World Population

Day at Royal Oaks World School

A special assembly was held on 11th July 2025 at Royal Oaks World School by Class 10A to observe World Population Day. The assembly focused on raising awareness about the challenges of population growth and the importance of sustainable living. It began with a prayer and a thought-provoking message for the day, followed by a video presentation that highlighted the day's global significance.

A unique and interactive activity titled "Fact or Fiction: Let's Find Out!" engaged students in identifying myths and facts about population issues using envelopes containing surprising statements. The session promoted awareness, critical thinking, and meaningful dialogue on topics like environmental impact, resource scarcity, and collective responsibility. The assembly concluded with a reflective poem on making smart choices for a better future, followed by the birthday song, school anthem, and national anthem, making it an informative and inspiring start to the day.

Inter-House Football Tournament at Royal Oaks World School

An exciting inter-house football tournament was held between the four houses — Falcon, Flamingo, Kingfisher, and Macaw.

Both boys' and girls' league matches showcased energetic performances, teamwork, and sportsmanship. Each match was fiercely contested, with players giving their best on the field. The event promoted discipline, healthy competition, and team spirit among students.

Special Assembly on International Nelson

Mandela Day at Royal Oaks World School

A special assembly was held on 18th July 2025 at Royal Oaks World School by Class 9B to observe International Nelson Mandela Day. International Mandela Day is celebrated in schools to honor Nelson Mandela's legacy and inspire students to embrace his values of service, social justice, and equality.

By participating in activities related to Mandela Day, students learn about his fight against apartheid, his commitment to human rights, and his vision for a more peaceful and just world. Schools use this day to encourage students to take action, make a difference in their communities, and embody the spirit of Mandela's call for positive change. Mandela's story of forgiveness and reconciliation after years of imprisonment resonates with students. It teaches them the importance of empathy, understanding, and working towards a more peaceful and harmonious society. Students develop a sense of global citizenship and understand their role in addressing global challenges like poverty, inequality, and conflict.

Special Assembly on World Nature

Conservation Day at Royal Oaks World School

World Nature Conservation Day was observed in our school with great enthusiasm during the morning assembly. The event aimed to raise awareness about the importance of preserving our natural resources and protecting the environment for future generations.

Students from Class 8A presented a thought-provoking presentation. A beautiful presentation was delivered by Riddi Gogate and Parth Gaikwad, emphasising the simple yet powerful actions each of us can take to conserve nature. The assembly concluded with a pledge taken by all students and teachers to care for the environment and adopt eco-friendly habits in daily life. It was a meaningful and inspiring event that reminded everyone of their responsibility towards Mother Earth.
